**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber to the home at a very affordable price thanks to Sonic.net. AT&T and Comcast did not provide this service, and their best service was 10x more expensive and slower. Sonic.net's excellent service would only be possible because of competition in the market.

With my fast fiber to the home access, I can work from home easily, including doing video conferencing. This is important to me as a new mother.
